## How to Ride

There are two ways to request a ride: by calling MARTA or by using the MARTA Reach On-Demand Transit app.

## Call MARTA to request a ride

1. Call MARTA at their Reach request number.
  - Find the Reach phone number on [itsmarta.com/reach](https://itsmarta.com/reach).
2. Share where MARTA should pick you up and where you want to go. If you're not requesting a ride right then, share what time you need to leave or arrive at.
  - If you need wheelchair accommodation or are traveling with a Personal Care Attendant, share this during the call.
  - You may be asked to meet at a nearby pickup point.
3. Wait up to 30 minutes for the Reach shuttle to arrive.
4. Ride to your drop-off point.
  - Please note, the shuttle may pick up or drop off other riders on your ride. Reach shuttles will run as quickly as possible while serving all riders.
