

SC Johnson Left-Turn Lane

Project Location Map

Anticipated Completion

Early 2026

Project Background

Employee activity in and out of the SC Johnson facility cause traffic congestion that backs up onto Oakley Industrial Boulevard. Adding a left-turn lane will help alleviate congestion.

Project Description

The South Fulton CID partnered with ProLogis and the City of Fairburn to add a new left turn lane at the entrance to the S.C. Johnson facility from Oakley Industrial Boulevard. The turn lane is currently under construction and is expected to be completed in early 2026.
